

Spring greetings from Alan, Angie and Andrew! We have enjoyed a mostly warm winter in the southeast. We began that tradition as a necessity when we were full-time RVers. Although we now have a house with no wheels, we are thankful to be able to enjoy our winters traveling in Florida, Alabama, and Georgia. During February and March we were blessed to minister in 13 different churches. Each church is unique and has unique needs. We usually do not have a set program or "menu" in our services. Your prayers for protection, guidance, and discernment are valuable to us as we try to be sensitive to the Holy Spirit in each venue.

With sincere thanks,

Alan, Angie, and Andrew

### **Blanding Blvd Baptist Church-Jacksonville, FL**

One type of meeting that we enjoy being involved in is a stewardship meeting which focuses on the fact that everything we are and everything we have belongs to God. Pastor David Adair invited us to sing and preach at their annual Stewardship Revival at the Blanding Boulevard Baptist Church in Jacksonville, Florida. God blesses us so that we can bless others. That's how God's work is accomplished. Through emphasizing these important principles in the life of their church, these folks have been able to have an impact in churches and ministries around the globe.

### **Liberty Baptist Church-St. Petersburg, FL**

Since we have been able to establish strong relationships with many churches, we are able to periodically return to these churches. However, we are thankful for the number of churches that we minister in each year that are new to us. We were in one such church in St. Petersburg, Florida. Alan met Pastor Jay Lowe at a pastors' fellowship meeting last summer, where Pastor Lowe invited us to minister at the Liberty Baptist Church in St. Petersburg. What a joy it was to get to know this gifted man of God and his loving church family!

### **Lake Pierce Baptist Church-Lake Wales, FL**

Our friend K.C. Crum is now the pastor of a wonderful church in the beautiful community of Lake Pierce in Lake Wales, FL. We were grateful for the opportunity to minister there in a Sunday through Wednesday revival meeting. The church had prepared with much prayer and many invitations. The result was a true revival spirit as souls were saved and Christians were moved to draw closer to God. Small or large, churches that get serious about obeying God's word can make an impact on their communities. Alan and Pastor Crum are pictured at left with Kendall, a young man who was saved during the meeting.

### **Trinity Baptist Church-Lake Wales, FL**

Another relationship we are thankful to have maintained through the years is our friendship with Pastor Larry Wallace and the Trinity Baptist Church in Lake Wales, Florida. We were privileged to minister at the church again this year, as well as do a program for their Keenagers. Through their years of ministry in Lake Wales, countless lives have been touched and changed. We are thrilled to have been a small part of that process.

### **Kenny Adkins Graduates to Heaven**

We would like to honor a special friend of our ministry who graduated to heaven in February. Kenneth Lee Adkins, known to us as Kenny, passed away February 7 after a long battle with brain tumors. We became friends with Kenny and his wife Janet about 15 years ago. They were retirees and full time RVers whose home base was the same as ours in Connersville. The whole family made a special connection with this sweet couple, and they have been friends and encouragers to our ministry and family since that time. We will miss Kenny and his love for Alex, Anthony, and Andrew, but we are excited to think of the new body he now enjoys in the presence of God.

### **Andrew and Answers**

If you subscribe to Answers magazine, you may have noticed a familiar face in the most recent issue. For the last four years, Andrew has been selling subscriptions to Answers magazine and using the proceeds to support a child in a [Hope for the World](#) orphanage in Albania. Last summer, he was privileged to meet some of the people at Answers in Genesis who wanted to write an article about this area of Andrew's ministry. God has provided this avenue for Andrew to not only support Mikel, but to help Christians become more grounded in their faith. Andrew will be leaving us in the fall to attend college, and he will no longer have opportunities to promote the magazine. If you would like to help Andrew to continue to support Mikel, perhaps you would consider subscribing. Call or write and we will send you a subscription form.

### **Return to Manila**

We plan to make a return trip to the Philippines in December. We are assembling a team that will have a varied skill set to minister in a variety of outreach opportunities. The cost per person will be about \$2800. If you would like to sponsor a team member or make a donation in any amount, you can do so on the [donation](#) page of our website, or contact us at 765-220-1629. We will include more details in the next newsletter.

**Save the date, and plan to attend the Harris Family Homecoming Concert in Connersville, IN Saturday August 9, 2014!**
