Dear Friends,

July 4, 2015

In an effort to try to keep in touch with you more often, we plan to write a simple letter most months, with an occasional newsletter with photos as we usually send periodically. We want each of you to know that we value your partnership with our ministry. Without your prayers, encouragement and financial support, we would not be able to carry on the work as we do. You literally play a part in each life that is touched and each heart that is given to God. Won't it be a joyous time in heaven when we get to see how God has multiplied the seeds you have sown!

We started out the month of June with a revival meeting in Parkesburg, Pennsylvania. We have been holding an annual meeting at Grace Community Church for several years. The people there responded enthusiastically to challenges from God's word to reach out to their families and to their community. Pastor Robert Dunn and his wife Paulette are hardworking and faithful servants of God.

From there we went up to Harrisburg, Pennsylvania where we ministered at Capital Bible Church. We have journeyed with this church for many years as they have grown and moved from place to place until finally settling on their own beautiful property near Hershey Chocolate World. They are one of our regular supporters, and we thankful to have had a part in the life of this church and their pastor Bill Haken. Pastor Haken is also one of the board members for our ministry.

We are always a bit reluctant to say good-bye to the beautiful Lancaster County area. We saw once again however, that amidst the natural beauty and well cared for farming communities, there is a multitude of people who are living in bondage and addiction. As you read this, please whisper a prayer that God will use the people in the churches we ministered to in that area to reach out with the Gospel to those around them.

Next stop was back in Indiana where we held a "Summer Festival" revival at the Hillcrest Baptist Church in Richmond. Pastor Marty Holman and the people at Hillcrest worked hard to pray, invite, and prepare for this meeting. Their hard work paid off as we saw 12 people accept Christ as Savior. Pastor Marty has been a wonderful friend for many years, encouraging us and even instructing us in ways to make our ministry more effective. He is the one who introduced us to Reuel Tica in the Philippines. Hillcrest serves as Reuel's sending church.

We ended the month with an annual patriotic Sunday at Bible Baptist Church in Metamora, Indiana. Pastor Ron and his family have been faithfully serving in Metamora for many years. We are thankful for pastors who regularly give us opportunities to minister to their people. The first extended meeting we did as a married couple, soon after our honeymoon, was a youth revival at Bible Baptist in 1984. Sunday, June 28, 2015, we were so happy to see adults serving God who were present at that youth revival 31 years ago.
