

## Winter Changes

*Monday, April 13, we returned to Connersville after five months of meetings. Although we travel all year, our longest time to be continually on the road is typically late fall through early spring. However, November 7, 2014 through April 13, 2015 was anything but typical! In those 22 weeks, we traveled 30,000 miles, saw hundreds of people give their lives to Christ, and had more changes in our own family than any time period we can remember!*

*Here are just a few highlights....*

**November:** Attended graduation ceremony and festivities as Andrew graduated from Summit Semester near Pagosa Springs, CO.

**December:** Traveled from Dallas/Fort Worth Airport with a team of nine amazing servants of God to work for two weeks in Metro Manila Philippines.

**January and February:** Watched New Year's Day fireworks from the airport windows in Manila!

Andrew left us to spend time with friends in Alabama while our oldest son Alex traveled and ministered with us for several weeks.

**March:** Alex moved from Lynchburg, VA to Cincinnati, OH to join the staff of Landmark Church.

Our middle son Anthony married Anna Combs in Arlington, TX!

Alan's dad had his 80th birthday!

**April:** Andrew began a spring/summer internship at our home church in Connersville, IN.

*It is a great blessing to see God working not only in the lives of those we minister to, but also in the lives of our own family members. When you pray for our ministry, you are also praying for our family. Thank you!*

## Spring Travels

In March and April, we were busy in Alabama, Florida, Texas, Georgia, Indiana, and Ohio. We enjoyed a variety of ministry opportunities. Special emphasis Sundays are always a great avenue for us to partner with a pastor to customize a service or a day in order to encourage members to invite friends, family, and coworkers.

We also welcomed the time we spent once again with the Primetimers in Titusville, FL. Pastor Tom Porter and his support team at Temple Baptist Church continue to have a tremendous outreach to the seniors in their region every Tuesday, September through May.

Revival meetings remain our favorite type of meeting. Consistent doses of God's Word changes lives as Christians draw closer to their Savior and unsaved people give their lives to Christ.

Pictured here is a group of folks from a Sunday - Friday meeting we did in Lucasville, Ohio.
