

## **We need your help!!!**

**It is almost time for our return trip to the Philippines December 18, 2014 - January 1, 2015.**

**At the time of this writing, and with promises of \$2,000, we still need at least \$6,400 to cover the expenses of this trip.**

**Please pray about making any size donation to help our team of seven travel to Manila to work with Pastor Reuel Tica in reaching the millions of lost people in Manila. For more information about this outreach, please click here to go to our website, and read an article and view a video.**

**You can also click here, to go to our promo download page where you can download the video to show to your church, class, Bible study group, or other organization to share this need and help us with the remaining funds.**

**This is an urgent need. If God leads you, please respond as soon as possible!**

### **Thank you, friends, for your continued prayer and support!**

- Since our last newsletter, we have gone from Indiana to Michigan, Maryland, Pennsylvania, Virginia, Ohio, and back to Indiana. We praise God that we started and ended this trip with people making decisions to turn from faith in their own works to faith in God through Jesus Christ.
- In August, we had a wonderful time of praise and celebration at the annual Harris Family Homecoming in Connersville, IN. Mark your calendars now to attend Homecoming next year on Saturday, August 15, 2015!
- September 4, we watched as Andrew boarded a plane headed to Colorado for a Summit Semester. He is doing well there, making new friends, and being challenged to grow in wisdom and in faith.

***Thank you to those of you who responded to our request for small stuffed animals to take to Manila!*** There is still time to get involved in this way! The children and teens in the Philippines love getting items such as stuffed animals from the U.S! These small gifts generate a lot of excitement as we throw them out to the crowds during concerts or use them as rewards in a classroom. Gifts such as these also serve to add a personal touch in the life of the child and his parents, and help them to be more receptive to our message. *In the next two months before we fly to Manila, we will be ministering in Indiana, Ohio, Michigan, Alabama, Louisiana, and Texas. If you live in these states, and would like to donate gently-used or new small stuffed animals, please take a look at our [schedule](#) on our website to see if we will be in your area. Also, if we are scheduled to be with your church in the next two months, perhaps you could organize a stuffed animal donation box that we could pick up when we are with you. You can call us at 765-220-1629 if you do not have internet access.*
